## STATEMENT

The procedures and controls utilized by the undersigned agent when correspondence is received from the PTO include pulling the clients file from the filing cabinet, noting the matter on the file jacket, writing a letter to the client concerning the Office Action, banding the Office Action to the file, and placing the banded Office Action and file on my desk in a group of files in chronological order according to the response due date. These procedures were followed in the situation at hand.

The Notice of Abandonment dated 08/30/06 indicated that the issue fee was not received. The mailing date of a Notice Of Allowance was not given. A telephone call was made to the Examiner on October 4, 2006 to report non-receipt of a Notice Of Allowance, and the Examiner indicated that the mailing date of the Notice of Allowance was April 27, 2006.

A search of the file jacket and docket records indicates that the Notice of Allowance (mailing date 04/27/2006) was not received.

A copy of the outside of the file jacket on which receipt of the Notice of Allowance would have been entered and docketed is attached hereto, along with copies of other Notices of Allowances and Office Actions that were mailed from the PTO before and after the mail date of the non-received Notice of Allowance and docketed for a response three months from the mail date of the non-received Notice Of Allowance.

## SUBMISSION

Submitted herewith are:

(Exh. A) A reduced copy of the outside of the file jacket for Serial No. 10/068,575 on which receipt of the non-received Notice of Allowance would have been entered and docketed.

(Exh. B) A copy of a Notice Of Allowance received in another case (S.N. 29/228,455) mailed from the PTO on 03/30/2006.

(Exh. C) A copy of a cover sheet of an Office Action in another case (S.N. 10/623,163) mailed from the PTO on 04/04/2006.

(Exh. D - pgs. 1 and 2) A copy of a Notice Of Allowance and its PTO mailing envelope in another case (S.N.10/846,193) **mailed from the PTO on 04/05/2006, which was returned to the PTO on 04/13/2006 by the U.S. Postal Service as undeliverable.** The undersigned agent discovered that the non-received Notice of Allowance had been mailed and returned in a telephone conversation with the Examiner. On 06/13/2006 the Examiner faxed a copy of the returned Notice Of Allowance (Exh. D - pg. 3), and suggested that the fax copy be used to pay the issue fee. In a follow-up letter mailed 08/2/2006, the Examiner confirmed on Page 2 that the Issue Fee and drawings submitted on 7/03/06 had been received and confirmed that the originally mailed Notice Of Allowance was returned as undeliverable (Exh. D - pg 4).

(Exh. E) A copy of an email message dated 06/05/2006 from me to the building manager at my office location reporting that I had not been receiving mail for some time and discovered that the mail carrier had not been leaving the mail and at least some had been returned to the sender because he was unable to lock the mailbox.

(Exh. F) A copy of a cover sheet of an Office Action in another case (S.N. 10/998,786) mailed from the PTO on 04/11/2006.

(Exh. G) A copy of a cover sheet of an Office Action in another case (S.N. 29/209,852) mailed from the PTO on 04/18/2006.

(Exh. H) A copy of a cover sheet of an Office Action in another case (S.N. 10/983,146) mailed from the PTO on 05/05/2006.

At least one Notice of Allowance having a mail date in the same month as the non-received Notice of Allowance was returned to the PTO as undeliverable (Exh. D). The undersigned agent does not know if there may have been other documents mailed from the PTO during late April and early May that were returned.

**Subject:** Mail box Problem

Ron;

The lock on the mailbox file cabinet on the left-hand side is broken (won't lock), and I have not received any mail for at least two weeks (not even junk mail). Normally, I get some mail every day. I spoke with the people in 101 to see if they were getting mail and they said that they have a PO box, and rarely get mail in the file cabinet, but that last week the mailman told them that the lock was broken.

I have had at least one document, that I am aware of, that was returned to the U.S. Patent Office, and a check that was mailed to me by a client in California before Memorial Day which I never received.

I checked with the supervisor at the Post Office this afternoon to see if they may be holding any mail for me, which they were not, but they said they would check with the mail carrier to see what is going on.

I think that the mailman has been, and still is, simply returning my mail to the senders because he cannot leave the mail in an unsecured box.
